KPI cards (close-up)

TOTAL INQUIRIES 4 ↓ 100% vs last month	TOTAL BOOKINGS 3 ↓ 100% vs last month	TOTAL CONVERTED VALUE \$3,750 All-time, converted to USD	TOTAL VIEWS 0 Across all retreat programs	ACTIVE RETREATS 2 / 3 Listings live in distribution
---	--	---	--	--

Total / Active Experiences	Total retreats you've created vs. how many are live (not in draft).
Total Bookings / Inquiries	All-time counts across every experience at this center.
Month-over-month deltas	Small % change badges comparing this calendar month's bookings/inquiries to last month's.
Total Converted Value	Sum of all-time booking revenue, normalized into a single USD figure regardless of the currency each booking was placed in.
Profile Completeness	Scores how filled-out your Center Profile is — a higher score improves how your center is presented to guests.
Retreat Performance Leaderboard	Ranks your own experiences against each other by bookings/inquiries.

Center Profile

Everything here feeds your center's public page — keep it accurate, it's what convinces a guest to book.

Profile Completion Tips

✓ Fill "About the Center" to boost discoverability

✓ GPS coordinates enable map-based search

✓ A strong meta description improves click rates

✓ Tags help match guests searching by retreat type

✓ Upload gallery photos to increase bookings

Center Name *	Your public business name, e.g. "Amanpuri Wellness Sanctuary". Required.
Email Address / Contact Number / WhatsApp Number	How guests and BalanceBoat reach you.
Physical Address / City / Country	Used for search, maps, and the location shown on your listing.
GPS Coordinates	Optional lat/long pin for the map on your center page.
About the Center	Your intro paragraph — history, environment, healing approach.
What Sets Us Apart	Your differentiator — why a guest should pick you over another center.
Our Philosophy / Our Mission	Core beliefs and what you exist to do — builds trust with guests.
Center Highlights	Short bullet points added one at a time.
Amenities	Checklist of on-site facilities (pool, spa, restaurant, etc.).
Center Features	Comma-separated free text for anything not covered by the amenities checklist.
On-site Accommodation	Toggle whether this center has rooms to offer — turning this on unlocks the Accommodations section.
Banner / Hero Image	The large header image shown at the top of your public page.
Photo Gallery	Additional photos guests browse through on your listing.
Promo / Cinematic Video URL	Optional YouTube/Vimeo link embedded on your page.
Founders / Year of Foundation / Awards	Credibility details shown in your "About" section.
Tags	Comma-separated keywords used for search matching.
How to Get There / Things to Do Around the Center	Practical travel info guests look for before booking.
SEO Page Title / Keywords / Meta Description	Controls how your center appears in search engine results.
Current / New / Confirm Password	Change your login password from the bottom of this page.

ALL ACCOMMODATIONS OVERVIEW

Availability across all room types for configured start dates.

ROOM TYPE	Sep 14	Oct 12	Nov 9
Bamboo Garden Bungalow	O:6	O:6	O:6
Ocean View Deluxe Suite	F:2	F:2	F:2

O=Open, F=Few Left, X=Full, C=Closed - number after colon = remaining rooms

Start Date calendar	Click a date to add it as a run of this retreat — guests can only book dates you've published here.
Total / Booked	Total spots available for that start date, and how many are already booked.
Delete start date	Removes an upcoming run if a date is cancelled.

⚠ The calendar only shows dots on months that actually have a start date — it opens on the current month, so page forward/back to find yours. All scheduled dates are also listed in the accommodation overview table below the calendar.

COMMIT RECORD TO LIVE PIPELINE

Pipeline stages	Each lead moves through stages (New → Proposal Sent → Won/Lost) — update the stage as you follow up.
Weighted Pipeline	An estimate of pipeline value that discounts each lead's deal value by how likely it is to close.
SLA alert	Flags a lead that hasn't been responded to within the expected response window.
Prospect Name / Email / Phone	Contact details when manually adding a lead that came in outside the platform.
Target Retreat Program	Which of your experiences this prospect is interested in.
Value Allocation	Your estimate of what this lead is worth if it converts.
Notes / Context	Free text, e.g. "Referred by past guest, interested in group booking".
Direct Center Response Console	Reply to the prospect directly from the lead row.
